**TEXTBOOK:**

Myers, David. (2002). Psychology. New York, USA: Worth Publishers.

---

**Calendar Description:**

Acquaints the student with major contemporary issues in psychology and considers their historical antecedents. Topics in Life Span Development, Personality, Abnormal Behaviour, Social Cognition, Social Influence, and Social Relations are considered.

Prerequisites: English 12 or assessment.

**Learning Outcomes:**

Upon Successful completion of the course, the student will be able to:

1. Describe major contemporary issues in psychology and explain their historical and explain their historical antecedents.
2. Apply psychological theories and understanding of current psychological issues to personal experience.
3. Conduct impartial studies of psychological topics and arrive at logical inferences and conclusions from collected data.

The outcomes will be measured by a combination of written examinations, assignments, presentations, group work, and discussions.

**Course Organization:**

There are two three hour classes each week. Classes will be comprised of lectures and experiential work. Material from the text and selected readings related to current psychological issues and treatments will be examined. Experiential work includes discussions, activities, and student presentations. Attendance and participation are very important for learning. Doing the assigned reading before class will help in the understanding of lectures and discussions.

**Evaluation:**

Research Paper	25%
Experiential Assignments ( 15% each) best 2 of 3	30%
Five Quizzes ( 5% each)	25%
Final Exam	20%
