2. Intended Learning Outcomes: upon successful completion of this course, students should be able to

1. Discuss the trends in human evolution and the role of natural selection in the evolution of our species
2. Outline the relationship among culture, biology and environment in examining human health and disease.
3. Explain the importance of archaeological investigation to modern society.
4. Recognize and explain to others that our culture constructs our realities so that social inequality, for example, is a human invention.
5. Identify key features of language.
6. Use the World Wide Web to investigate anthropological issues
7. Debate issues of human biology, society and history using anthropological evidence
8. Critically evaluate evidence used to explain the human past and present
9. Address ethnocentrism as a barrier to understanding other cultures.
10. Acquire a tolerance and respect for cultural and biological diversity.

4. Basis of Student Assessment

(a) Assignments: (30%)

See attached coloured page.

(b) Exams (70%)

Exam 1: written during class time on October 5 (20%)

Exam 2: written during class time on November 4 (25%)

Exam 3: written during the College's examination period (25%)

Note: it is the student's responsibility to be available to write exams during the College's formal examination period following the last day of classes.

All lecture exams must be attempted in to successfully complete Anthropology 104. Examinations must be written during the scheduled times. In the case of illness, a medical certificate is required in order to write a make-up exam. If a student fails to come for a make-up at the scheduled time, the exam will not be further rescheduled unless a medical certificate is presented to the instructor. Unavailability of texts and pressure of other work does not constitute a reason for missing exams, quizzes, or assignments.

Please note: additional assignments **are not** available to students in order to up-grade poor marks from exams or assignments.

5. Grading System

The following percentage conversion to letter grade will be used:

A+ = 95 - 100%	B = 75 - 79%	D = 50 - 59%
A = 90 - 94%	B- = 70 - 74%	F = 0.0 - 49%
A- = 85 - 89%	C+ = 65 - 69%	I = See Calendar for Details
B+ = 80 - 85%	C = 60 - 64%	AUD = Audit

W = Official withdrawal has taken place

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College Calendar, Registrar's Office or the College web site at <http://www.camosun.bc.ca>

ACADEMIC CONDUCT POLICY

There is an Academic Conduct Policy. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy Section.
