**Evaluation**

40% of your final grade will be taken from a 3 hour final examination. This examination will be written between Monday December 13 and Tuesday December 21.

40% of your final grade will be taken from a series of tests written during the semester.

**Test 1:** Friday, Sept 24, **Test 2:** Friday Oct 22, **Test 3:** Friday Nov 19

5% of your final grade will be taken from assignments handed in during the semester.

5% of your final grade will be taken from the lab exercises.

10% of your final grade will be taken from a final lab exam.

If your final exam mark is greater than your term mark, only your final exam mark will be used to compute your grade (assuming that assignments and lab exercises are completed satisfactorily – **no more than 1 assignment and/or 1 lab exercise is missing**).

Note - All tests must be written during the scheduled period and all assignments must be handed in on time.
