TEXT Berger, K.S. (2003). The developing person through childhood and adolescence. New York: Worth.
You may use either the 5th or 6th edition

COURSE This course is an introduction to the field of developmental psychology. The objective is to present a comprehensive view of the developmental changes that take place from conception through adolescence and to present explanations of those changes

FORMAT Internet - There are two 60 minute realtime audio shows per week which are a combination of lecture, interviews, and discussion. The shows will be archived on Webct so that you may access them at any time convenient to you. The shows will also be available on CKMO Village 900 AM, Camosun College Radio. Tapes of the shows will be available on reserve in the library.

The exams will be given during the evenings. See the schedule for details.

All written assignments should be typed or word processed, if possible, and on time. The instructor reserves the right to refuse or penalize late assignments. Please see me before it is due if you have problems.
