It is mandatory because class discussion cannot be recreated and therefore not made up if missed. Missing a class without a valid reason will result in a deduction of 5% from your final grade for each class missed. Missing more than two classes will seriously jeopardize your successful completion of the course. Tardiness will also have the same effect.</p> <p>Involvement and participation will also be evaluated on the level of care and on the quality of your engagement with your work.</p>
