See Grading Policy E-1.5 at camosun.ca for information on conversion to final grades, and for additional information on student record and transcript notations.

GRADES

FINAL GRADES

1. For the final grades, I use the Camosun College standards:

A + = 95% - 100%	A = 90% - 94%	A - = 85% - 89%
B + = 80% - 84%	B = 75% - 79%	B - = 70% - 74%
C + = 65% - 69%	C = 60% - 64%	

D = 50% - 59% F = 0% - 49%

I = Incomplete. (If the missing work is not completed within 6 weeks of the end of semester, the mark will automatically revert to **F**.)

2. The final grade will be weighted as follows:

Learning Activities	4 at 5 points each = 25 points	20 points
Midterm		605 points
Final Quiz		195 points
Seminar Presentation of a Social Issue		150 points
Seminar Attendance (5 points each for 6 random seminars)		30 points

Total Points: 1,000 points

HOW I GRADE

1. Grades combine the college definition and my own experience.

A: Superior levels of achievement. I expect quality which shows a full understanding of the work, and which also includes exceptional achievement (i.e. new insight, obvious quality research, clear presentation above and beyond the minimum required, better work than the majority of the class).

B: High levels of achievement. For a B, I use work that is good and shows full understanding. It does not have the same degree of exceptional achievement that makes an A, but is distinctly beyond the minimum required.

C+: Satisfactory level of achievement.

C: Sufficient level of achievement to proceed with next level of study.
Average work, showing an understanding of the material and the minimum requirements have been met. It does not indicate the student is having any real difficulties.

D: Minimum level of achievement for which credit is granted; a course with a D grade cannot be used as a prerequisite. I give this grade for work that is handed in, lacking all required details, but has some approximation of adequate work.

F: Minimum level is not achieved.

REGRADING AND RESUBMISSION

1. If you are not satisfied with a grade I have given, you have the right to ask me to regrade the work. After my reviewing the work you may receive a higher grade, a lower grade, or the same grade.
2. I reserve the right to ask you to resubmit work, or to show me extra material related to it. In either case, the maximum mark I will give will be C+.

7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course
