5. Course Content and Schedule

At the first class, students will be given a fourteen-week schedule listing all projects and due dates.

Students will also be given a film-viewing list as well as dates and times for group viewing of assigned films.

Some current films in local theaters or at UVic's Cinecenta may be assigned viewing - at the student's expense.

Almost every class will include viewing of films/videos available through the college, NFB, or other sources, and also viewing of student work. This means that student participation and attendance is very important if exchange of ideas and critical discussions are to be of any value.

6. Basis of Student Assessment (Weighting)

(a) Assignments

Students are expected to complete all assignments on their due dates. The care and commitment to all projects, and the growth and development of expressive and imaginative ways of conveying ideas into film will be considered in relationship to the growth of filmmaking skill. (80%)

(b) Other

Student involvement and participation in respect to discussion, attendance, and interest (20%)

NOTE: Missing more than 2 classes will have a very negative affect on your grade and could result in failure of the course.

Frequent lateness will also have a very negative affect on your grade.

6. Grading System

The following percentage conversion to letter grade will be used:

A+ = 90 - 100%	B = 73 - 76%	D = 50 - 59%
A = 85 - 89%	B- = 70 - 72%	F = 0.0 - 49%
A- = 80 - 84%	C+ = 65 - 69%
