5. Basis of Student Assessment (Weighting)

(a) Assignments

1. Court Report (7.5 %)

Due: October 14th before the start of class.

You are required to attend and observe a criminal case in Provincial or Supreme Court at 850 Burdett Avenue in Victoria (Youth Court is not an option). Your written report will summarize the proceedings observed. This report may provide the basis of the offence you use in the Criminal Justice Process Synthesis. I recommend you plan to spend a morning or afternoon at the courthouse.

COURT REPORT

Guidelines:

While observing the entire trial related to a criminal case is desirable, your report can be based on your attendance for a morning or afternoon session only, and therefore may cover only part of a trial, a sentencing hearing, a remand, or arraignment of an offender.

Regardless of what part of the proceedings you are able to attend, there are a number of common facts you need to report on for the purpose of this assignment:

- a) the charge(s) or offence(s) – Criminal Code sections if possible
- b) the level of court in which the case is being heard
- c) the identity of the accused(s), Crown Prosecutor, Defense lawyer
- d) the nature of the offence (brief description)
- e) the nature of the proceedings
- f) the outcome (sentence, judicial reason for sentence)
- g) your personal observations of what you saw that day (1/2 page minimum).

Format:

Your assignment is to be written in essay format, typed, proper margins and font size, not single spaced, and put your name and student number at the top. Use the CJ Writing Reference Manual for the appropriate format and for assistance with other aspects related to writing this report. Your report should be approximately 3 pages in length.

Don't recreate the dialogue of what you heard; instead, give me enough detail so I can have an understanding of what it was you observed.

Evaluation:

Content and clarity

Structure/organization (essay format, transitions, introduction/summary or conclusion)

Spelling/Grammar (for every 5 errors 1% off the 5% will be eliminated) – proof your work!

(b) Quizzes - none

(b)

- (c)
- (d) Exams
- (e) Examinations (60%)**

Dates: October 7th, November 6th, and during the final exam week

There are 3 examinations (20% each), each covering different subject matter. The format is true / false; fill in the blank, short answer, matching, and multiple choices. Each examination will have questions from the classroom material presented, videos shown in class, and your textbook.

(d) Group Work
