Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.

IP	<i>In progress:</i> A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. <i>(For these courses a final grade will be assigned to either the 3rd course attempt or at the point of course completion.)</i>
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services or the College web site at camosun.ca.

STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism**. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services and on the College web site in the Policy Section.

8. Important information

College Policies	Camosun has policies on grading, academic offences, resolution procedures, and consequent sanctions. Please familiarize yourself with these policies (see 2008-2009 College calendar).
Attendance, assignments (e.g., papers) and exams	Attendance is important because it keeps you in contact with the course materials and any changes that may occur throughout the semester. A missed exam or assignment will result in a mark of zero. Unfortunately, make-up exams will not be offered. If there is a serious medical or compassionate reason that you would like considered, contact the instructor before the test date or ASAP. Time management issues and competing priorities are NOT sufficient reasons. Documentation to support your claim is <u>always</u> required (e.g., physician's note explaining why you could not attend the exam). It is critical that you do <u>not</u> make any holiday plans for the exam period until finals are set by the registrar's office. No alternate final exam date(s) will be offered.
