2. Intended Learning Outcomes

(No changes are to be made to these Intended Learning Outcomes as approved by the Education Council of Camosun College.)

Upon completion of this course the student will be able to:

1. Operate audio equipment at an intermediate level.
2. Speak on-air and in recorded productions to achieve an intermediate level of performance.
3. Produce current affairs and news assignments meeting required criteria for broadcasting on CKMO radio.
4. Critique current affairs and news programs broadcast on CKMO radio.
5. Explain, using appropriate vocabulary, the fundamental technical theories of radio and its applications.
6. Assemble a portfolio of projects that demonstrates the student's current professional abilities.

3. Required Materials

(Handouts and other materials will be distributed via D2L. Students are encouraged to check D2L regularly for new information.

4. Course Content and Schedule

Course Description:

You will build on the skills acquired in Radio-1 by learning new technical skills and applying them in more advanced production and performance situations. Aside from doing regular on-air shifts on Village 900, you will use the production facilities to complete several projects. More advanced technical skills such as digital audio production will be stressed, along with on air presentation skills. You will acquire research and interviewing experience.

Weekly workload

Classroom 1.5 hour; lab 3.00 hours
Estimated out-of-class 2.5 hours

5. Basis of Student Assessment (Weighting)

Projects are due by deadlines stated on assignment sheets. Assignments **must** be turned in on the due date at the beginning of class. Late assignments will **not** be accepted!

Projects (at least 6)

MOS	}	40%
Feature		
Fantasy Spot		
PSA		
Station ID		
Interview		
Pronunciation Drills		20%
Tests/quizzes		20%
Radio Shifts		20%
Attendance* (a deduction of up to 15% will be made for lateness and absenteeism)		<u>-15%</u>
Total		100%

- Please inform me of any expected absences prior to class. In the case of illness or emergency, you should leave a message for me at 370-3395 or by email as soon as possible. You are responsible for all worked missed due to absence.
- If you must miss an air shift due to illness you need to inform Brad 370-3658 as soon as possible. Calling in Sick an hour or two before a scheduled shift is not acceptable. After hours you must let leave a voice mail for Brad and let the person in the control room know: 370-3450.
- You must show up on time and prepared for on-air shifts, failure to do so will result in harsh penalties in terms of grades. Unlike missing a class, missing a scheduled on-air shift has serious repercussions and often affects other individuals. We do not take missed shifts lightly.

Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy E-1.5 at camosun.ca for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.

IP	<i>In progress:</i> A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. <i>(For these courses a final grade will be assigned to either the 3rd course attempt or at the point of course completion.)</i>
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
