**What do the grades mean?**

- A: Designating a “superior level of achievement”, a letter grade of A is awarded to the student who surpasses course expectations by doing additional reading and research, and by providing well thought-out and clearly expressed ideas on exams and assignments. The student demonstrates outstanding organizational, analytical and critical thinking skills, as well as added resourcefulness in meeting course requirements.
  - B: Designating a “high level of achievement”, a letter grade of B is awarded to the student who exhibits substantial comprehension of course reading and lecture materials and is able to reflect this knowledge orally and in writing. The student demonstrates
-

analytical thinking skills and clearly performs above average in meeting course requirements.

- C: Designating a satisfactory or “sufficient level of achievement”, a letter grade of C is awarded to the student who completes all course requirements and has a competent understanding of the course materials. Further improvement is attainable with effort and refined reading, writing, analytical, and organizational skills.
  - D: Designating a “minimum level of achievement”, a letter grade of D is awarded to the student who generally performs below average, does not show signs of having read the assigned readings or is unable to present ideas in writing in sufficient clarity or detail. The student may need remedial assistance to improve reading/writing skills.

## **7. Instructional Policies**

### **1. Attendance and Participation**

Regular attendance and participation in class is required. Students will be deducted 1 mark (out of the 10 allotted to participation) for each class that they miss. This rule applies to all classes including those in which students are doing oral presentations. It is expected that students will arrive to class on time and that, during class, students will be attentive, non-disruptive, open-minded, constructive, and respectful of others.

### **2. Late Penalty**

Students having a legitimate concern about meeting the due dates should consult with the instructor well in advance.

All assignments must be completed and submitted by the date assigned. All late written assignments will be penalized by 20% of the total mark per day.

### **3. Written Assignment Requirements**

Written Assignments for this course must be typewritten and double-spaced. Written assignments must be submitted to the instructor at the beginning of class. Assignments received at the end of class, emailed, or not given directly to the instructor as noted may be penalized as defined under #2.

All assignments submitted for evaluation must be original and produced for the purposes of this course only. All assignments must be prepared by each student individually, unless I have given permission for a group submission.

### **4. Course Completion Requirements**

Students must complete all evaluative requirements (individual paper, group report, oral presentations and exams) to receive a passing grade for the course. Students failing to complete all the requirements will receive an F grade.

### **5. Plagiarism**

If you are concerned about your ability to properly credit and cite references, please come see me ASAP. I am here to help you.

---

Plagiarism is considered a serious academic offense. If plagiarism is documented by your instructor, the penalty will be an automatic "0" for that assignment. A general rule to follow is that 5 or more consecutive words taken from a document or other source should be placed in quotations and referenced appropriately; all other paraphrased information should be credited using a parenthetical citation.

**6. Cheating/Academic Dishonesty/Student Conduct**

The Criminal Justice Department has a clearly articulated policy on cheating and student conduct, as does the College. Cheating may result in suspension and the potential loss of a career in the criminal justice field. Please refer to a current College Calendar and the Criminal Justice Orientation Manual.

**7. Course Withdrawal**

The last day to withdraw from this and other Winter 2010 courses without receiving a failing grade is March 10, 2010.

**8. Mark/Grade Challenges and Appeals**

A student who is seeking to question a mark and/or informally resolve a grade appeal with the course instructor must clearly articulate in writing the specific element of the test or assignment being questioned and provide written reasons/arguments supporting why the mark/grade should be changed. The College appeals process is outlined on pages 37-38 of the 2009/2010 Camosun College Calendar.

**9. Student Responsibility**

It is each student's responsibility to familiarize her/himself with course/program and college policies. Students experiencing difficulties throughout the semester are encouraged to talk to the course instructor at the earliest opportunity.
