5. Basis of Student Assessment (Weighting)

1. First Examination- 20%

A preliminary exam will be held in class on **February 10th**. It will consist of Fill-In-the-Blanks, Short Answers, and Essay Questions. A review and exam preparation session will be held in class on February 5th. This examination will serve as a preview of the other examinations in this course and of the level of performance expected in the course. The format of the three examinations will be similar and this preliminary examination should be used as a guide in evaluating the effort and skills required for successful completion of this course in the areas of reading, listening, note-taking, and exam-writing.

2. Second Examination- 20%

A second examination will be given in class on **March 12th**. It will consist of three sections: Fill-In-the-Blanks, Short Answers, and Essay Questions. The exam will be based on material covered to date and will include material from lectures and required readings. A review and exam preparation session will be held in class on March 10th.

3. Term Paper- 30%

Topics for term papers must be chosen and registered with the instructor **by February 17th**. Requirements for the term paper will be specified in a separate handout which will include a list of suggested topics. You may not submit the same paper for two different classes at Camosun. Joint papers for two classes are acceptable only with prior approval of both instructors. Work submitted must be your own. Plagiarism may result in a zero for the assignment. Term papers are due at the end of class on **March 26th**. There will be a penalty for late papers. No papers will be accepted after the last class on April 9th.

4. Final Examination- 30%

A final examination will be given during Final Examination Week, **April 12th-20th**. The format will be the similar to the second examination, though the exam will be longer. The exam will cover material presented in the course as a whole, though there will be extra emphasis on material presented since the mid-term. A review and exam preparation session will be held in class on April 9th.
