(For these courses a final grade will be assigned to either the 3 rd course attempt or at the point of course completion.)
CW	Compulsory Withdrawal: A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

STUDENT ASSIGNMENTS

Assignments will be given out on the Friday of each week and are due in on the following Monday – at the beginning of the lecture period.

Assignments received on the day due (Monday) will be marked out of 100% - but if not received until the following day will be marked out of 90%. There will be a further drop of 10% per day for any assignment not received until Friday. Any assignment not received by then (1 week after given out) will receive a zero mark, unless there are mitigating circumstances.

Assignments MUST be printed as hard copies. Assignments will NOT be accepted as emails unless there is a serious illness involved in their tardy return – for which a doctor's note will be mandatory.
