7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services, or the College web site at camosun.ca.

STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism**. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services, and the College web site in the Policy Section.

8. Important information

College Policies	Camosun has policies on grading, academic offences, resolution procedures, and consequent sanctions. Please familiarize yourself with these policies (see 2011-2012 College calendar).
Attendance, assignments (e.g., papers) and exams	Attendance is important because it keeps you in contact with the course materials and any changes that may occur throughout the semester. A missed exam or assignment will result in a mark of zero. Unfortunately, make-up exams will not typically be offered unless there is a serious medical or compassionate reason that you would like considered. Contact the instructor <u>before</u> the test or due date. Time management issues, forgetting, and competing priorities are NOT sufficient reasons. Documentation to support your claim is <u>always</u> required (e.g., physician's note explaining why you could not attend the exam).
