Students will participate in all critiques and interviews.

5. Basis of Student Assessment

- (a) Assignments: *60% of final grade will be assessed from completed projects and in class assignments. The focus of evaluation will be on personal growth as reflected in work presented with particular attention to technical competency and integration of fundamental artistic knowledge from pre-requisite classes. A book, journal or web review will be assigned in the beginning of the semester.*
- (b) Quizzes: *1 quiz valued at 10% each.*
- (c) Exams: *no grades attached*
- (d) *10% of final grade will be assessed from the ongoing use of a sketchbook to record and reflect upon student's process. Due at March and April critiques.*
10% of final grade will be assessed on active participation and attendance in classes and in particular class critiques.

10% of final grad will be assessed on book/journal/or web review.

Marks will be deducted for late projects and assignments and absence during critiques and discussions!

* Attendance is one of the main criteria of the involvement and participation category. It is mandatory because class discussion cannot be recreated and therefore not made up if missed. Missing a class without a valid reason will result in a deduction of 5% from your final grade for each class missed.

Missing more than two classes will seriously jeopardize your successful completion of the course. Tardiness will also have the same effect.

Involvement and participation will also be evaluated on the level of care and on the quality of your engagement with your work.

There is also a final interview for Visual Arts program students during examination week*,.

A grade of "C" or higher is required in order to continue in the Visual Arts program.

* do not book your Christmas flights for this week
