## 5. Basis of Student Assessment (Weighting)

Student will submit specific project work at fixed times during the semester. The grading breaks down as follows:

CV, Résumé and portfolio	20%
Journal with reviews & coursework,	20%
Graduation show	20%
Open Space proposal	20%
Involvement and participation including volunteer work *	20%
Total	100%

\* Attendance is one of the main criteria of the involvement and participation category. It is mandatory because class discussion cannot be recreated and therefore not made up if missed. Missing a class without a valid reason will result in a deduction of 5% from your final grade for each class missed. Missing more than two classes will seriously jeopardize your successful completion of the course. Tardiness will also have the same effect.

Involvement and participation will also be evaluated on the level of care and on the quality of your engagement with your work.

## 6. Grading System

### Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9
85-89	A		8
80-84	A-		7
77-79	B+		6
73-76	B		5
70-72	B-		4
65-69	C+		3
60-64	C		2
50-59	D		1
0-49	F	Minimum level has not been achieved.	0

### Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at [camosun.ca](http://camosun.ca) or information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy E-1.5 at [camosun.ca](http://camosun.ca) for information on conversion to final grades, and for additional information on student record and transcript notations.
