### 4. Course Content and Schedule

The lecture schedule will generally follow this pattern: on Wednesdays/Thursdays, the lecture will introduce the paper that is assigned reading for the weekend; on Mondays/Tuesdays, the lecture will focus on the content of the paper and assume that it has been read by everyone (preferably twice). Each seminar group will spend one seminar discussion on each topic. The discussion will take place in the seminar that follows the second lecture on the topic. So, typically, both seminars will discuss the subject of Monday's/Tuesday's lecture.

### LEARNING SUPPORT AND SERVICES FOR STUDENTS

### STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism**. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services and on the College web site in the Policy Section.

*Students may not use recording devices in the classroom without the prior permission of the instructor. However, the instructor's permission is not required when the use of a recording device is sanctioned by the College's Resource Centre for Students with Disabilities in order to accommodate a student's disability and when the instructor has been provided with an instructor notification letter which specifies the use of a recording device. Recordings made in the classroom are for the student's personal use only, and distribution of recorded material is prohibited.*
