ADDITIONAL COMMENTS AS APPROPRIATE OR AS REQUIRED

Important Course Policies:

1. Assignments are due at the beginning of class on the due date. Late assignments will be accepted for one full week after the initial due date with a penalty of 10% per day, but these assignments will receive no written comments (only a grade). After one week, late assignments will not be accepted at all. Please keep track of deadlines. You are welcome to discuss your work with me at any time during office hours.
2. If you miss in-class work/exams, you will receive a zero (unless you can prove a medical emergency). Check with me beforehand if you know in advance that you will be unable to attend.
3. Please be careful when using other people's words or ideas. Using them without identifying the author constitutes fraud (plagiarism) and can have a lasting impact on this course and your future studies. See me if you are in any doubt about where to draw the line between your work and someone else's.

4. Your success here at the college is important to me. Please feel free to come see me with any issues that might be getting in the way of your success. Even if the problem is not directly related to this class, I can probably at least help you navigate the system.
5. This course proceeds by discussion in class. This means conversation, and conversation cannot actually take place unless we are all prepared and focused on one another. For this reason, **most of the time**, I will not accept the use of electronic devices in class. Please see me if you wish to discuss this point.
