2. Intended Learning Outcomes

At the end of the course, students will demonstrate a basic competency in the Spanish language and general knowledge of Spanish culture by:

1. Understanding, writing and speaking Spanish, using limited grammatical structures.
2. Using a variety of tenses.
3. Using and acquiring sufficient vocabulary and knowledge of grammar to be able to write, read and comprehend written and spoken Spanish at a basic level.

3. Course Materials

Required text: *Panorama* (4th edition) Blanco and Donley.

Optional workbook: Workbook to accompany *Panorama* (4th edition) Blanco and Donley.

4. Course Schedule

Tuesdays and Thursdays, 2:30-4:20. Fisher Building 212.

5. Basis of Student Assessment (Weighting)

Assessment will be based on the following:

Four chapter quizzes – (40% of final grade)
Students will complete five chapter quizzes, and the final grade will be based on four quiz marks. Chapter quizzes will include a listening comprehension component.

Notebook (Cuaderno) – 20%

Cuaderno will consist of six writing assignments to be completed at home and submitted in a small booklet approximately every two weeks.

In-class participation (including oral proficiency) – 20%

Oral expression is essential while learning a foreign language. Students are expected to participate actively in all class and group activities and will be graded on oral proficiency demonstrated in class.

Final exam – 20%

The final exam will include a listening comprehension component.

6. Absences

Regular class attendance and work is crucial while learning a foreign language.

Legitimate absences for graded work are only those due to illness, accident or family affliction. The Instructor reserves the right to require a doctor's note if absent due to illness. Students who are absent the day a test is given or an assignment is due will receive a zero, unless **prior arrangements** have been made with the instructor.

It is the responsibility of the student to find out from colleagues what class work, announcements or assignments s/he has missed while absent.

7. Class schedule and structure

The course covers material presented in chapters 7-11 of the textbook, *Panorama*. Students have the opportunity to practice language structures and vocabulary through various activities; therefore, the textbook **cannot** replace the instruction in the classroom.

All class sessions consist of lecture time and oral/aural/written practice. Time during each chapter is spent specifically on oral comprehension and conversation.

This course plan is subject to change.
