VIST 123 PERSPECTIVE DRAWING

NB: This course and VIST 131 (TECHNIQUE 2) are closely interconnected, and assignments in VIST 131 will be reviewed in VIST 123, which are to be completed as both CLASSWORK and HOMEWORK

All classes commence with Show & Tell: students share comics and graphic novels they currently read or have recently discovered with the class, along with a brief analysis of the specific appeal of form and/or content, in particular how it relates to the subject at hand

A critical component of classes is the tripartite critique; a critical analysis of assignments by the student, their peers, and the teacher

ADDITIONAL COMMENTS AS APPROPRIATE OR AS REQUIRED

Grading Rubric for All Assignments

	A Range (80 -100%)	B Range (70 – 79%)	C Range (60 – 69%)	D Range (50 – 59%)
Perspective	Demonstrates clear understanding and practical application of one, two, and three-point perspective to the background, structures, objects and figures in layouts, thereby reinforcing dynamic storytelling	Demonstrates understanding of the principles of one, two, and three-point perspective, but may not apply adequately to background, structures, objects and figures.	Evidence of confusion regarding principles of perspective, ambiguous placement of horizon and/or improperly place vanishing points	No discernable understanding of principles of perspective or proper application
Pencils	Thoughtful choice of pencil hardness range relative to paper selection; strong use of medium to articulate character and composition; erasures are thorough and neat; personal style is evident	Choice of pencil hardness may be ill-considered but medium still used well to establish form; erasures may be incomplete and/or slightly messy	Confusion about appropriate hardness; too light or too heavy-handed application of medium; awkward, inconsistent or vague articulation of form; messy erasures	No consideration given to choice or application of medium; form obscured by inappropriate line weight; no erasures
Letters	Demonstrates strong understanding of requirement for accurate ruling of guidelines and use of Ames lettering guide; careful and legible use of appropriate fonts; balloons and caption well placed; shows creative approach to balloons, borders and sound effects	Clear ruling and letterforms though text may not totally conform to ruled lines; some awkward or misplaced balloons or captions	Poorly ruled and/or lettered text; badly placed balloons or captions	Unruled captions and/or word balloons; inappropriate or illegible fonts; no consideration of placement
Inks	Skillful handling and appropriate choice of inking tools for the chosen surface; shows confident varying or constant line weight as required with pen, marker, brush, etc.; personal style continues to manifest itself	Choice of inking tool may be ill-considered for subject but technique is used well to articulate form for accurate reproduction; some evidence of emergent personal style	Shows form and subject clearly but some uncertainty about selection of tool is evident; heavy-handed application of ink; personal style not yet evident	Awkward, inconsistent or vague articulation of form; no apparent consideration of choice of tool; heavy-handed application of ink
Colours	Demonstrates skillful handling and appropriate choice of dry and wet (transparent or opaque) colouring media and tools for the chosen surface; personal style continues to manifest itself	Technique is used well to articulate form and values but choice of colouring media or tool may be inconsistent and/or ill-considered for subject	Shows uncertainty about selection of media or tool; heavy-handed application of colour; muddy or unclear establishment of values	Awkward, inconsistent or vague articulation of form; no apparent consideration given to tools or media; heavy-handed application of colour
