(This section should be directly linked to the Intended Learning Outcomes.)

(a) Quiz (January 20 th)	(10%)
(b) Mid-Term (Feb. 12 th)	(20%)
(c) Final Exam (April 9 th)	(20%)
(d) Book Review Report (March 10 th)	(20%)
(e) Term Paper (March 26 th)	(30%)

Map Quiz: The first test will be held at January 20th and will consist of map work. This test will form 10% of your total grade.

Mid-Term: The mid-term will be held February 12th and will consist of multiple-choice questions, short answer questions and one essay question. The test will focus on material covered since the beginning of term, excluding the physical geography. This assignment will be worth 20% of your total grade.

Final Exam: During the last class a final exam will be set. This will make up 20% of the course grade and will consist of multiple choice questions, short answer questions and one essay style question. Questions will be based on material covered just prior to the mid-term exam.

Book Report: Using the assigned reading, *Nothing to Envy: Ordinary Lives in North Korea* by Barbara Demick, students will write a book report and be prepared to discuss this interesting work in class on March 10th. The book report must not only offer a brief synopsis of the story but critique the author's work, correlating the main themes of the book with course materials. The book report should be 3-4 typed pages in length and is due the same day as the discussion (March 10th). The report will constitute 15% of your mark and 5% will be earned through participation in the discussion class.

Term Paper: Each student is expected to research and write a 6-8 page term paper. Students will be encouraged to build upon their research undertaken for their panel presentations, developing a larger piece of written research. A comprehensive outline for the research paper will be discussed in class (see course schedule). It forms 30% of your total grade. Papers are due March 26th.
