### FORMAT

In order to achieve the main objective – the implementation of theory into practice, students will do readings from the text, discussions in class, and a series of structure planned exercises that involve practicing new skills in pairs and small groups. Mini lectures will explain various concepts and techniques such as role-playing and written work will demonstrate and practice concepts and skills. Students will be evaluated on conceptual understanding as well as skill performance. **\*ALL WRITTEN WORK SUBMITTED REQUIRES A TITLE PAGE AND A REFERENCE PAGE IN APA 6<sup>th</sup>. ED.**

EVALUATION: A course grade will be determined by the following:

Role Plays 25% (MAX. 30 min. MIN 25 min.)

2. Following the role play, other students in the class are expected to comment on what they learned from the role play, how well the concept(s) were illustrated, etc. Conduct a class activity to solicit written feedback.

Grading of Role Play: 16 marks and written report 9 marks

All members of the group are expected to work cooperatively on both the planning and the write-up. The final grade for the role play and the presentation will be shared among all members. Any student having difficulty with this format needs to discuss this with the Instructor. All members of the group are expected to contribute to the planning.
