5. Basis of Student Assessment (Weighting)

- 1. Students will be expected to complete all assignments. These will be evaluated by the instructor in conjunction with the students. The growth and development of expressive and imaginative ways of conveying ideas, the quality of subject matter, and the final execution and presentation of projects will account for approximately 75% of the grade.
- Student participation and involvement in respect to discussion, attendance, and interest (10%).
- 3. A short research paper. (10%)
- 4. Students will be expected to keep a personal notebook in which they record, both visual and written information and observations, and the development of individual assignments and class activities. (5%)

* Attendance is one of the main criteria of the involvement and participation category. It is mandatory because class discussion cannot be recreated and therefore not made up if missed. Missing a class without a valid reason will result in a deduction of 5% from your final grade for each class missed.

Missing more than two classes will seriously jeopardize your successful completion of the course. Tardiness will also have the same effect.

Involvement and participation will also be evaluated on the level of care and on the quality of your engagement with your work.

6. Grading System

(<u>No</u> changes are to be made to this section unless the Approved Course Description has been forwarded through the Education Council of Camosun College for approval.)

Standard Grading System (GPA)

Percentage Grade Description		Description	Grade Point Equivalency
90-100	A+		9
85-89	А		8
80-84	A-		7
77-79	B+		6
73-76	В		5
70-72	B-		4
65-69	C+		3
60-64	С		2
50-59	D	Minimum level of achievement for which credit is granted; a course with a "D" grade cannot be used as a prerequisite.	1
0-49 F Minimum level has not been achieved.		0	

Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy E-1.5 at **camosun.ca** for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete</i> : A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress</i> : A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. (For these courses a final grade will be assigned to either the 3 rd course attempt or at the point of course completion.)
cw	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
