5. Basis of Student Assessment (Weighting)

- | | |
|-------------------------------|--|
| (a) Take-Home Exams (50%): | There are three take-home exams in this course. Each exam will consist of short-answer questions and will evaluate your comprehension of course concepts within the assigned readings and the lecture material. Although the exams are completed at home (and therefore obviously open book), they should not be considered group work. You will be given one week to complete each exam. The exams are worth a total of 50% of your final grade (10% for the first and 20% for the second and third). More information will be provided in class prior to the first exam. |
| (b) Short Essay #1 (10%): | You must submit a 500-750 word essay on the topic of your perceived ethnic background. This essay will be based on your own experience of ethnicity in your life. More information on this assignment will be provided in class. Please see course schedule above for assignment due date. |
| (c) Short Essay #2 (20%): | You must submit a 750-1000 word essay on the topic of ethnicity in Canada. This essay will be based on your observation of an “ethnic event” or “ethnic experience” that you attend during the term. More information on this assignment will be provided in class. Please see course schedule above for assignment due date. |
| (d) Chapter Quizzes (10%) | You must complete ten online quizzes (worth 1% each) during the course; please see course website for due dates. These quizzes consist of multiple-choice and fill-in-the blank questions, and they are based exclusively on textbook content. You are welcome to work on the quizzes in groups if you choose (but please do not provide answers to other students apart from this group work). You will have unlimited attempts to complete each quiz until the deadline. |
| (e) Class Participation (10%) | Throughout the term, there will be small group discussion assignments to be completed in class. You will receive credit for participating in each of these assignments, which will total 10% of your final grade. |

6. Grading System

Missed Assignment Policy

If you do not hand in an assignment on time and you have a reasonable excuse (illness, accident, family affliction, religious obligations, etc.), please contact me as soon as possible to arrange a new

due date for the missed assignment. If you do not have a reasonable excuse, I will accept late assignments with a daily penalty (10% per day for exams and 5% per day for essays).

If you do not complete a quiz on time, there is no possibility of making up the 1% (sorry).

If you miss a class during which there was a participation activity and you have a legitimate excuse, please email me. You will not be required to make up the discussion assignment; the missed assignment will simply be removed from the calculation of your grade (making all your other group discussion assignments worth slightly more). If you do not have a reasonable excuse, any missed group discussion assignment will not count toward the 10% class participation mark.

If you do not complete all required work for this course (exams and essays), you may be denied a passing grade.
