## LIBRARY RESOURCES FOR HISTORY

When you need reliable books, articles and websites for essays and research projects, ask a librarian to help you find suitable items. You can go to the Information Desk in the library, or use the online service called AskAway. There is a link to AskAway, as well as the catalogue and library hours, on the [library's homepage](http://www.camosun.ca/library) at [www.camosun.ca/library](http://www.camosun.ca/library). The Library gives you access to thousands of articles through [online databases](#).\*

To find articles that are relevant to History topics, click on Art/Literature/History at the top of the database list. These databases will be useful:

1. *Academic Search (EBSCO)* –journals with an academic focus, many full-text
2. *Combined CBCA* – Canadian magazines & journals, some full-text
3. *JStor* – full-text, academic journals
4. *Humanities Index* – index only, some full-text

You can read the articles on any computer with an internet connection, but to gain access you will need your student number (C#####) and library password. Your *library password* is usually your birthdate in the format MMDDYY. Ask for assistance if this does not work.

\* If you cannot use this direct link, follow this path: from the library's homepage: click on Magazines/Journals/Newspapers, then select Search for articles by topic.
