See Grading Policy E-1.5 at camosun.ca for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. (For these courses a final grade will be assigned to either the 3 rd course attempt or at the point of course completion.)

CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

About your grade

- A. If you are not satisfied with a grade I have given, you have the right to ask me to regrade the work. Work that I review may receive the same grade, a lower grade, or a higher grade.
- B. I reserve the right to ask you to resubmit work, or to show me extra material related to it.

7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services, or the College web site at camosun.ca.

STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism.** It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services, and the College web site in the Policy Section.

8. Important information

College Policies	Camosun has policies on grading, academic offences, resolution procedures, and consequent sanctions. Please familiarize yourself with these policies (see 2015-2016 College calendar).
Attendance, assignments (e.g., papers) and exams	Attendance is important because it keeps you in contact with the course materials and any changes that may occur throughout the semester. A missed exam or assignment will result in a mark of zero. Unfortunately, make-up exams will not be offered unless there is a serious medical or compassionate reason that you would like considered. Contact the instructor <u>before</u> the test or due date. Time management issues and competing priorities are NOT sufficient reasons. Documentation to support your claim is <u>always</u> required (e.g., physician's note explaining why you could not attend the exam).

STUDENT RESPONSIBILITIES

I expect students to follow **certain standards of conduct:**

- All students are expected to follow the College's Student Conduct Policy
- There will be no make-up opportunities without a doctor's note (or equivalent). It is up to you to follow up and make arrangements to catch up on missed assignments/exams.
- Exams must be written as scheduled. Make-up tests will only be allowed with proper documentation. You must contact the instructor prior to the test, and provide documentation within 2 days of the missed test date to be eligible for the make-up test. The instructor will determine the alternate date and time.
- Assignments that are copied (identical or plagiarized) between students will be given 0% for ALL students with identical work.
- Work must be used for this course only.
- It is college policy that "If an instructor remains convinced that there has been a violation [such as plagiarism or cheating], he or she may assign a grade of F for the work involved, or for the course."
