7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services, or the College web site at camosun.ca.

STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism**. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services, and the College web site in the Policy Section.

ADDITIONAL COMMENTS AS APPROPRIATE OR AS REQUIRED

STUDENT CONDUCT POLICY/ACADEMIC MISCONDUCT

There is a Student Conduct Policy. It is the student's responsibility to become familiar with the content of this policy. Please see: <http://camosun.ca/about/policies/education-academic/e-2-student-services-&-support/e-2.5.pdf>. In my experience, the vast majority of students want to learn and conduct themselves appropriately. In response to consistent complaints made by students about the disruptive conduct of a small number of inconsiderate classmates, we have to institute rules on what should be common sense behaviour. Therefore, please be advised that any behavior that is rude, distracting or disrespectful in any way to anyone in the class will not be tolerated. Offenders will be subject to academic and other disciplinary consequences as proscribed in the Student Conduct Policy. To avoid misunderstandings, please note the following:

- Cell phone use during class time (texting, talking, playing games, and internet access) is subject to a 2 mark penalty. Accessing any electronic device during an exam or in-class assignment constitutes a violation of the Student Conduct Policy and will result in a grade of zero on the exam or in-class assignment.
- Laptops/computer use is **not** allowed unless you have a medical or disability support note.
- Arriving late or leaving early is **not** allowed.
- Leaving and returning during class, especially to answer your cell phone, is **not** allowed.
- Studying, reading or copying notes for another class during class is **not** allowed.
- Disturbing the class by talking, eating, making insolent comments, or sleeping is (you guessed it) **not** allowed.

In short, do not come to class and disturb other students who want to learn. If you do not plan to take this course seriously, then I urge you not to take it. If you cannot comply with commonplace classroom rules and conduct, you will be asked to leave the class.
