7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

Homework: There will be a short homework assignment given in almost every class. **The rule for homework is: written assignments will not be marked unless they are handed in at the beginning of the next class.** Exceptions to this rule will be made only in the event of a documented illness or crisis. The lowest 25% of homework grades will be discounted on the basis of the necessity for students to learn from their mistakes.

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services or the College web site at camosun.ca.

STUDENT CONDUCT POLICY

There is a Student Conduct Policy **which includes plagiarism.** It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services and on the College web site in the Policy Section.
