### 8. FAQ

#### When are assignments due?

Assignments are due at the beginning of class on the due date. Assignments that come in after the beginning of class will be counted as late.

Late assignments will be penalized 5% of their total mark per day, including weekends. Assignments more than one week late will receive a mark of 0.

Ex. A paper that would have received 77% (B+) but is two days late will receive 67% (C+).

Extensions will be granted only if requested at least two full days in advance of the due date. If you ask two days in advance, you do not need to give me a justification; your good time management will be rewarded.

All assignments written outside of class are to be submitted on paper.

#### If I miss our class on [date], will I miss anything important?

Yes.
