## 5. Basis of Student Assessment (Weighting)

### I. Assignments – 33.3%

#### **A. Personality – 8.3% (50 points)**

You will complete a 25 item (@ 2 points each) multiple-choice quiz based on the main points of chapter 14. You have one week to work on the chapter. Your chapter is due in class by 12:24pm. If your chapter is late, but turned in by the end of class, you will lose 5 points (10%). **Your chapter summary will not be accepted after class ends.**

Chapter #	Instructor Gives Summary	Due Date
14	October 18	October 25

#### **B. Discovering Psychology – 25% (150 points)**

This writing assignment is designed to aid you in critically thinking about psychology and making real connections between the class material and the “real world.” Your paper is 5-7 pages in length, excluding the bibliography and attachments.

We will discuss the assignment choices in detail during the 5<sup>th</sup> week of class and you will be given a grading sheet for the assignment. I will be happy to read outlines or drafts until Tuesday, November 29<sup>th</sup>. All papers are due by January 3, 2017. If you turn in your paper by December 13, 2016, you will receive 5 additional points (3.3%). You can turn in your paper any time after December 5<sup>th</sup>, but if you fail to turn in your assignment on the 3<sup>rd</sup>, you will incur the late penalties listed below.

Due	Turned In	Deduction
Tuesday	Tuesday after 12:25 pm but by 11pm	15 points (10%)
	Tuesday after 11pm until January 10 <sup>th</sup>	37.5 points (25%)

Turn in your paper, even if it is late, because there is an additional **75-point deduction** from your final score if you do not turn in a paper. PAPERS are NOT accepted after January 10<sup>th</sup>.

### II. Examinations – 50% (300 points)

There are two midterm exams and a non-cumulative final exam. Your **first** exam is comprised of 36 multiple-choice items (@ 2.5 points each) AND 2 short answer questions (@ 5 points each). Questions are based on all assigned readings and class lectures. Exams are returned during the next class period. If you have any questions or concerns regarding your exam, you have one week to see me. There is a review sheet and discussion provided a week prior to the exam. You are strongly encouraged to keep current on your reading, since some test questions will come directly from the reading and may not have been discussed in class.

The composition of your second midterm and final exam is your choice. You can decide if you would like to keep the mixed composition (32 multiple choice items and 4 short answer questions) OR if you want to go to an all multiple-choice exam (40 questions @ 2.5 points each).

#### Make-up Exams

The exam dates are: **October 18<sup>th</sup> and November 22<sup>nd</sup>**. Please check your calendars now. If these dates conflict with religious observances or officially approved activities, please let me know by **Tuesday, September 20<sup>th</sup>** to make alternative arrangements. If you miss an exam due to illness or a personal emergency, you must make-it up within the week and are a combination of multiple choice and short answer.

**Please save all of your exams until your FINAL grade is determined.**

### III. Other – 16.7%

#### Attendance and Group Work – 16.7% (100 points)

You may make up in-class/group assignments for full credit if you miss class due to a conflict with a religious observance, traveling for an officially approved activity, or a verifiable medical excuse. If you miss class for any other reason, you will receive a maximum of **50% credit** for the assignment. You have **ONE WEEK** to make up the assignment for credit. Your group assignment is determined the first day of class.

For the purpose of confidentiality and blind grading, you are assigned a psychology class ID to be used in place of your name throughout the semester. You will use this ID (e.g., name of a city) on all of your assignments and examinations. You will be given your ID the first week of class.

**Psychology Class ID:** \_\_\_\_\_ **Group Assignment:** \_\_\_\_\_

## 6. Grading System

### Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy E-1.5 at

[camosun.ca](http://camosun.ca) for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. (For these courses a final grade will be assigned to either the 3 <sup>rd</sup> course attempt or at the point of course completion.)
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

**7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course**

**LEARNING SUPPORT AND SERVICES FOR STUDENTS**

There are a variety of services available for students to assist them throughout their learning. This information is available in the College calendar, at Student Services, or the College web site at [camosun.ca](http://camosun.ca).

**STUDENT CONDUCT POLICY**

There is a Student Conduct Policy **which includes plagiarism**. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, at Student Services, and the College web site in the Policy Section.

**Final Notes**

**Cell phones and PDAs**

Leave electronic devices **off** unless you have someone in the hospital or someone in your care, then please put your cell phone on vibrate. Texting and the use of electronic devices, including cell phones, and PDAs is prohibited in this class, unless there is an emergency. If your cell phone goes off or I catch you texting in class or during group work, you will receive a warning first. If it happens a second time, you will be asked to give up your device for the remainder of class or leave. **If you are completing group work, you will be asked to complete the group work on your own for 1/2 credit.** DO NOT make calls or text others at any time during this class, including during a film.

**Respect and Confidentiality**

Every effort is made to create a safe, comfortable atmosphere where we can discuss various topics freely and openly. Because students have widely differing values and beliefs, it is extremely important that we respect individual differences and refrain from judgment of others. In group and class discussions, you are in no way expected to share personal information unless you choose to do so, and any personal information discussed in groups and class should not be discussed outside the classroom.

**Cheating and Plagiarism**

Cheating and plagiarism is not tolerated – period. Every effort is being made to minimize an environment for cheating. If you are caught cheating during an exam or plagiarizing any aspect of your assignment, at the minimum you will receive a 0 for that test/paper and will be penalized

according to Camosun regulations. Please read and familiarize yourself with the student's code of conduct definitions, rules, and regulations for cheating and plagiarism. You can find the student code of conduct on the Camosun website (camosun.ca) in the policy section.

**Students with Exceptionalities:** If you have an exceptionality (i.e., disability) including learning disabilities or chronic disabilities, please come and see me after class or during my student hours to explain your needs and to discuss appropriate accommodations.

### **Waste Reduction**

In an effort to do my part, I will only supply one hard copy of your syllabus; you can retrieve additional copies of the syllabus by e-mailing me. Also, please feel free to double-side your assignments. Please reduce and reuse when possible and always recycle appropriate materials in the appropriate receptacle.

### **Drop Date and Withdrawal from the class**

The drop date is September 23<sup>rd</sup>. The final deadline to withdraw from this class without academic penalty is December 5<sup>th</sup> (there will be a "W" on your transcript). However, please speak with me BEFORE you decide to withdraw. The goal is to have you complete this class successfully and I want to facilitate that process to the best of my ability. Let's talk and find out if we can assist you in completing the course. DON'T JUST WITHDRAW- PLEASE.

### **Be Responsible**

Keep track of all your assignments. When you write your papers **SAVE** a paper copy **AND** a computer disk copy. Keep the hard copy of your chapter summary and your exam scantrons. **You will not receive credit for something you said you did if you do not have proof.**

**KEEP ALL YOUR WORK UNTIL YOU RECEIVE YOUR FINAL GRADE.**

### **Come Fi A Chat!**

We will discuss many interesting and controversial topics in class. Unfortunately, we do not have time to discuss them in depth. So, once a month, come and join me for lunch to discuss a particular psychological topic (e.g., "does reality TV make abnormality "fun"). This is a great time to discuss and share your views. Specific dates and topics will be determined in class. I hope you come "fi a chat".

### **The Student Is...**

"...the most important person on the campus.  
Without students there would be no need for the institution.  
...not a cold enrollment statistic but a flesh and blood human being  
with feelings and emotions like our own.  
....not someone to be tolerated so that we can do our thing. They are our thing.  
...not dependent on us. Rather, we are dependent on them.  
...not an interruption of our work, but the purpose of it.  
We are not doing them a favor by serving them.  
They are doing us a favor by giving us the opportunity to do so."
