Jury Requirements 2016-2017

Students are asked to complete a Term Overview Sheet in full, outlining all technique, studies, and repertoire studied through the term – in this way there is a record of your term’s work. Please star materials and repertoire specifically prepared to perform for your jury: the selected jury programme must conform to the requirements given below. Please take care in completing this sheet as it forms a part of the permanent student record and may be used by other schools in the future to help in establishing transferability of credit for work toward completion of this course.

The jury is the opportunity to perform before a panel of senior faculty who will assess the overall level of performance against accepted provincial and national standards assumed for the level of study undertaken (first year, or second year). The panel assesses this snap shot of performance level and may consider progress since last jury (or audition).

Due to time constraints, the jury panel will not hear complete works or all works prepared: only about half of the scheduled time is given over to performance of repertoire, the remainder being dedicated to viva voce (verbal responses indicating a thorough and detailed understanding as to the content, context, circumstance of each selection), additional technical requirements, and marking. Juries are only scheduled for 20 minutes in total, with 10-15 minutes added for those registered in “Solo Preparation” courses. As time is limited and because the schedule is quite tight, students are asked to please arrive early with all music in hand, and be prepared to move quickly into the jury room, being as expeditious with tuning and set-up as is reasonable.

Students must provide one legal (non-photocopied) copy of each work performed. Memory is required for some disciplines – please consult instructor of faculty head for requirement.

Classical performance: works to be performed collaboratively with piano, must be performed with piano. You must make your own arrangements for piano accompaniment for the jury. Juries performed without accompaniment as required will result in a lower mark. You are advised to make arrangements for the services of an accompanying partner as soon as jury schedules are posted.

Contemporary performance: Students must make her/his own arrangements for one or more performance partners to join for the jury. It is the student’s responsibility to make all arrangements for and on behalf of accompanying musicians. Juries performed without accompaniment as required will result in a lower mark. Students are advised to make arrangements for the services of an accompanying partner as soon as jury schedules are posted.

NOTE to Diploma of Music students (guitar, piano, voice, most woodwinds, most orchestral strings, and selected brass instruments). In some cases, students may have the opportunity to challenge for AVCM in their second year as a part of their Camosun College course work. Students interested in this possibility – prior to the start of their second term of First Year – must first consult with their own first instrument teacher as to practicality of pursuing this option, and then consult with the Director of Postsecondary Studies about course availability for the following year. If all parties are in agreement, then the complete VCM Grade 10 requirements for your instrument / voice must be presented at your jury in lieu of the requirements posted below, and must be completed with a mark of 80% or better.
