5. Basis of Student Assessment (Weighting)

Each student will be expected to complete assignments on time, and are expected to attend each class and contribute at group analysis of completed works.

There are three components considered for the final grade:

- 20% - RAKU
- 30% - Self Portrait
- 30% FINAL PROJECT
- 10% (firing timelines including materials, glazes, processes, sketches, historical precedents, influences)
Marks will be deducted for late projects and assignments and absence during critiques and discussions
- 10% Studio Conducts / Etiquette Grade

Students will start the semester with 10/10 for their Studio Habits grade; marks will be deducted if students neglect to demonstrate safe respectful use of communal facilities, studio interactions and material provisions.

Students will be evaluated on their ability to clean up after themselves (or their group) each day before leaving the studio. Works left in common spaces 30 minutes prior to the next class start time, or 9am the next day will result in an immediate deduction of 3% per work (i.e. a painting left out to dry overnight anywhere in Y117). Work may only be stored in designated storage areas (or with special permission of instructor and instructional technician). *Failure to properly store, remove or dispose of projects during the semester and / or within the deadlines communicated at the end of the semester will result in a deduction of 5% per work.
