5. Basis of Student Assessment (Weighting)

Hangeul Quiz & Four Chapter Quizzes	60%
Class & Lab Attendance/Participation	10%
Reading Assignment	5%
Role Play (3 x 5%)	15%
Homework	10%
Total	100%

Hangeul Quiz: The objective of this quiz is to test students' acquisition of the basic Hangeul system (Korean alphabet). This test includes identifying target Hangeul sounds, writing basic sounds from dictation, and writing syllable blocks of Hangeul.

Chapter Quizzes: The goal of these quizzes is to facilitate understanding of Korean language taught through each lesson. Each quiz will include vocabulary and grammar features as well as listening comprehension. Quizzes will be cumulative; each quiz will increase in value by 1%. Quiz #1=10%, #2=11%, #3=12%, #4=13%, #5=14%. No make-up quizzes are permitted unless you document of your absence due to illness or accident, etc.

Reading Assignment: The purpose of this activity is to establish your reading fluency and pronunciation accuracy. This assignment has two parts. One is to record reading your favorite song lyric or a short paragraph and upload onto D2L and the second part is sight reading in class for assessment of accuracy of pronunciation and fluency of reading. Criteria for grading this task and the due date for the task are available on the D2L course schedule.

Role Play: The purpose of this activity is to establish your fluency and expression when speaking Korean. Role play scripts will be given to students to memorize and each group will conduct their role play in class. Also it is possible for students to choose to write their own script. Criteria for marking this task and the due dates to complete the task are available on the D2L course schedule.

Homework: The purpose of homework is to reinforce the learning of grammar and vocabulary. There will be in class handouts and some parts of the workbook for students to complete. There is **no mark for correct answers** in each exercise and this assignment will be graded based on your independent and thorough completion. The due dates for each assignment will be announced in class and posted on the D2L course schedule. If the assignment is complete but submitted after the due date, a half mark will be given. Homework that is copied is plagiarism. See "Student Conduct Policy " below.

Class & Lab Attendance and Participation: Students are expected to be in class on time. Arriving in class after it has started or leaving early there will be a half point deduction. Students are also expected to participate in class activities sincerely (e.g. practicing a role play or writing a composition). If you don't follow in-class instructions, you will lose a half point of the attendance. Your absence won't be deducted from the attendance mark with a proof of doctor's note or accidents, etc.

In-Class Policies

- **MAKE-UP** for oral performances and quizzes only if you provide a document of your illness or accidents, etc.
- It is expected for students to **BE ON TIME FOR CLASS**. Your late arrival will interrupt your classmates and lectures/lab activities. Each "late" or leaving early is counted as half an absence.
- Please **TURN OFF** any cell phone during the class.
- Browsing personal websites (e.g. chatting room) during lab hours is **NOT PERMITTED**.

Suggestions for Learning Korean

- Listen to the audio materials (vocabulary and dialogue) every day and try to mimic the sound while you are listening.
- Keep a personal glossary of vocabulary and phrases relevant to your daily life.
- Use vocabulary that you have learned in a sentence. If you don't know how to do it, ask your instructor or Korean friends.
- Try to study a little bit every day regularly (e.g. memorizing 5 vocabulary)
- Seek opportunities to talk with people in Korean.
- Don't be afraid of making mistakes.
