### Assignments

Each assignment is meant for students to build vocabulary, accuracy of pronunciation, intonation, fluency of reading and speaking as well as writing skills. Each assignment's due date will be announced in class and be posted in the course schedule on D2L.

**Making Audio Dictionary:** For each chapter, students are required to make their own audio dictionary combined with visual aids. It is also strongly encouraged to add their own vocabulary or phrases relevant to their own interest. Details will be discussed in class.

**Reading and Speaking Assignments:** Through the course, there will be several different kinds of readings from simple sentences to a short paragraph/narration. Also there will be different types of questions required to answer including a simple translation into Korean. Details will be discussed in class.

**Making a skit:** For this assignment, students will make groups of 2, 3 or 4 and write their own dialog. Then the group will make a skit and upload the recording file to D2L. Details will be discussed in class.

**Written Homework:** There will be in class handouts, some parts of the workbook and a small composition for students to complete. There is **no mark for correct answers** in each exercise and this assignment will be graded based on your independent and thorough completion. If the assignment is complete but submitted after the due date, a half mark will be given. Homework that is copied is plagiarism.

**Chapter Quizzes:** The goal of these quizzes is to facilitate understanding of Korean language taught through each lesson. Each quiz will include vocabulary and grammar features as well as listening comprehension. Quizzes will be cumulative; each quiz will increase in value by 1%. Quiz #1=10%, #2=11%, #3=12%, #4=13%, #5=14%. No make-up quizzes are permitted unless you document your absence due to illness or accident, etc.

**Class & Lab Attendance and Participation:** Students are expected to be in class on time. Arriving in class after it has started or leaving early there will be a half point deduction. Students are also expected to participate in class activities sincerely (e.g. practicing a role play or writing a composition). If you don't follow in-class instructions, you will lose a half point of the attendance. Your absence won't be deducted from the attendance mark with a proof of doctor's note or accidents, etc.

## In-Class Policies

- **MAKE-UP** for quizzes only if you provide a document of your illness or accidents, etc.
- It is expected for students to **BE ON TIME FOR CLASS**. Your late arrival will interrupt your classmates and lectures/lab activities. Each “late” or leaving early is counted as half an absence.
- Please **TURN OFF** any cell phone during the class.
- Browsing personal websites (e.g. chatting room) during lab hours is **NOT PERMITTED**.
