Test Policy

Contact me as soon as you are aware that you either will miss a test or have missed a test. If you need to miss a test, due to a prescheduled trip, for example, or because you have 5 tests in two days, make arrangements with me beforehand to reschedule. Make-ups will also be permitted in cases of illness or crisis. In the case of a personal crisis, students will be referred to the Camosun Counseling services.

Homework: There will be a short homework assignment given in almost every class. Unless prior arrangements have been made, students are expected to hand in their homework in person, in class. The rule for homework is: assignments will not be marked unless they are handed in at the beginning of the next class; no late homework will be accepted. Exceptions to this rule will be made only in the event of a documented illness or crisis. The lowest 25% of homework grades will be discounted on the basis of the necessity for students to learn from their mistakes.
