5. Basis of Student Assessment (Weighting)

Each student will be expected to complete assignments on time, and are expected to attend each class and contribute at group analysis of completed works.

There are several components considered for the final grade:

- 65% - an understanding of the issues and concerns of contemporary art as demonstrated by completed projects
- 5% tools and materials
- 10 % - written assignments and journal
- 10% - attendance, participation in group critique. Marks will be deducted for late projects and assignments and absence during critique and discussions.
- 10% - studio conduct/ etiquette grade
Students will start the semester with 10/10 for their Studio Habits grade; marks will be deducted if students neglect to demonstrate safe respectful use of communal facilities, studio interactions and material provisions.
Students will be evaluated on their ability to clean up after themselves (or their group) each day before leaving the studio. Works left in common spaces 30 minutes prior to the next class start time, or 9 am the next day will result in an immediate deduction of 3% per work (i.e. a painting left out to dry overnight anywhere in Y117). Work may only be stored in designated storage areas (or with special permission of instructor and instructional technician). *Failure to properly store, remove or dispose of projects during the semester and / or within the deadlines communicated at the end of the semester will result in a deduction of 5% per work.
- There will be mid-semester interviews with students. This will provide the student with an indication of their achievement during the first half of the course. A student who attends the course on a regular basis will be given a clear indication of a possible "F" or "P" grade anticipated by the instructor from the mid-semester onwards.

** Attendance is one of the main criteria of the involvement and participation category. It is mandatory because class discussion cannot be recreated and therefore not made up if missed. Missing a class without a valid reason can result in a deduction of 5% from your final grade for each class missed.*

Missing more than two classes will seriously jeopardize your successful completion of the course. Tardiness will also have the same effect.

Involvement and participation will also be evaluated on the level of care and on the quality of your engagement with your work.

There is also a final interview for Visual Arts program students during examination week*. The criteria will be as stated in the student handbook. A grade of "C" or higher is required in order to continue in the Visual Arts program, or to attain the prerequisite for Art 142 onwards.

* do not book your Christmas flights for this week
