5. Basis of Student Assessment (Weighting)

(a) Assignments	Oral Assignments <ul style="list-style-type: none"> • Role Play (5% X 2) 10% • Recording Portfolio (2.5 X 4) 10% 	20%
	Written Assignments	10%
(b) Quizzes	Five Quizzes	60%
(c) Others	Class & Lab Attendances	5%
	Class & Lab Participations	5%
	Total	100%

Role Play: The purpose of this activity is to establish your fluency and accuracy of speaking Korean. A role play script or a list of questions will be given to each group and students will modify answers to reflect their own situation. Students are required to memorize and conduct their role play. Criteria for marking this task are available on D2L.

Recording Portfolio: For each lesson, students are required to create their own sentences by describing the images that are provided or use their own images and then make an audio recording of those composed sentences. The sentences must include the grammar and expressions learned in class. Students are required to correct all submissions with the help of instructor's feedback. At the end of the semester, students will resubmit their complete, corrected collection. Final mark for the assignment will be based largely on this final complete and corrected Portfolio. Details will be discussed in class.

Written Homework: The purpose of homework is to reinforce the learning of grammar and vocabulary. There will be some parts of the workbook, online exercises and small composition practices for students to complete. There is **no mark for correct answers** in each exercise and this assignment will be graded based on your independent and sincere and thorough completion. If the assignment is copied, it will be recorded as down to zero for those students involved. See the Camosun student conduct policy <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf>

Quizzes: The goal of these quizzes is to facilitate understanding of Korean language taught through each lesson. Each quiz will include vocabulary and grammar features as well as listening comprehension. Quizzes will be cumulative; each quiz will increase in value by 1%. Quiz #1=10%, #2=11%, #3=12%, #4=13%, #5=14%. No make-up quizzes are permitted unless you document your absence due to illness or accident, etc.

Class & Lab Attendance and Participation: Students are expected to be in class on time. It is important to attend class regularly and to be prepared for each class while you are learning a new language. Late arrivals, early departures and unofficial absences will result in point deductions. Students are also expected to be attentive and respectful in class, and to participate in class activities sincerely such as practicing a role play or writing a composition, etc. Student participations will be monitored in each class and distracting or disrespectful behaviors will be noted and will result in point deductions. Student absence won't be deducted from the attendance mark with a proof of doctor's note or accidents, etc.

In-Class Policies

- **MAKE-UP** for quizzes only if you provide a document of your illness or accidents, etc.
- **LATE ASSIGNMENTS** will result in deduction of a 10% per day. Assignments won't be accepted after 10 days from the due date unless a student makes an alternative arrangement with the

instructor prior to the due date. After the last day of class, late assignments won't be accepted without prior consent.

- Please **TURN OFF** any cell phones during class.
- Browsing personal websites (e.g. chatting room) during lab hours is **NOT PERMITTED**.
