COURSE AND INSTRUCTIONAL POLICIES

Late Penalty

If you want to submit your research report late, the consequence is the loss of 10% (off 100%) per day. No exception so start early!

Written Assignment Requirements

All assignments, including all drop boxed readings MUST meet the basic requirements for academic writing in Criminal Justice. Use the *Writing Reference Manual for the Criminal Justice Program*. All assignments MUST be in APA format (1" margins, double spaced, Times New Roman font, 12 font, indent first line of first paragraph, running head, correct cover page). All assignments submitted for evaluation in this course must be original and produced for the purposes of this course only. The submission of assignments completed for other courses may be construed as academic dishonesty.

Plagiarism

Plagiarism is when you fail to fully and accurately acknowledge the sources of ALL the information in your assignments; the problem is that you give the impression that this is your own work. For example, if you quote something (word for word) but fail to put it in quotation marks or properly reference the citation to the author, then you are plagiarizing. Another example is if you paraphrase the information or ideas from a source but fail to cite the author (this can include a classmate's paper).
