- Please do not email assignments to me. If you are asked to submit an assignment electronically, submit your work to D2L.

Competency Based Grading System

#### 7. Recommended Materials to Assist Students to Succeed Throughout the Course

#### English 170 Class Policies

##### ATTENDANCE/PARTICIPATION

Your attendance and participation are essential to your success in this course. If you miss a class, it is **your responsibility** to catch up on the material I have covered and to complete the assignments due. Please contact me if you are going to miss or be late to a class.

##### ASSIGNMENT POLICIES

- **Submissions:** YOU MUST SUBMIT **ALL ASSIGNMENTS** AND WRITE ALL QUIZZES TO PASS THIS COURSE. Assignments due on the last day of the course must be submitted that day.
- **Late Submission Policy:** You must submit assignments on time. If you know that you will be submitting an assignment late, consult me before the due date, and let me know the exact

date that you will submit the assignment. The late penalty will be **5% per day**. **I will give a grade of “0” to assignments submitted later than one calendar week after the due date.** Late assignments will be given a grade but no feedback.

- **Plagiarism** is a form of cheating in that you are using someone else’s words, ideas, opinions, or facts as though they are your own. Words belong to the person who first prints or speaks them; to claim them as your own is a form of stealing, which, translated into our academic setting, means cheating. Plagiarism will result in a grade of zero and a meeting with me to discuss subsequent action.
