ASSIGNMENT DETAIL

1. GROUP PRESENTATION

In teams of four or five students you are to prepare a role-play of a situation illustrating an aspect of interpersonal communication in a setting depicting daily life. A narrator should introduce the role-play and keep the audience informed as necessary, as to what concept or principle is being illustrated, etc. You may elect a short drama, game etc, to illustrate your topic. Your role-play should be exactly 10 minutes in length, not longer or shorter.

Excellent role-plays provide visual (possibly audio) support, are rehearsed, may include minor props and **repeat important concepts** to ensure learning.

Use titles to introduce your topic. Attend to pace, keep it lively and engaging. Repeat 3 times, in 3 different ways what the essential elements of your topic are to ensure audience understanding. (For example, describe the concept, show it graphically in a poster or flash card, demonstrate it in a role play then summarize it.). The 10 min. presentation must include all members of your group in some visible form. **No more than one minute** of other prepared or commercial video or audio material can be used (i.e.YouTube clips)

Upon completion of your presentation, your group will be responsible for dividing your marks to adequately represent the effort, commitment, reliability, creativity and attitude of each member. To minimize conflict in a group, each member must be equally responsible for the task (product) as well as the comfort of each member (process).

GROUP PRESENTATION TOPICS

Group #	Chapter	Pres. Date	Group #	Chapter	Pres. Date

2. KEY CONCEPTS QUIZZES

There will be a short quiz at the beginning of each of the ten chapters to test for reading and understanding of the key terms and concepts of the chapters. Check the schedule for dates. These quizzes are worth two marks each. I will take your best 8 quizzes for a total of 10 marks. **There are no make-up quizzes available.**

3. TESTS

There will be two tests, worth 15 and 20 marks respectively. These tests will include multiple choice and short answer questions that require you to demonstrate your cognitive understanding of concepts as well as your ability to apply these concepts to various life situations. Test #1 will test for concepts from chapters 1, 2, 3, 4, 6 & 7 plus an analysis of your experience with anger in your family and adult life. Test #2 will test for concepts from chapters 5, 8, 9 & 10 and will include an analysis of a personal conflict that involves you that demonstrates your understanding of your own behaviour, the nature of conflict and what you have learned from it.

4. LISTENING AND TRANSCRIPT EXERCISE

INSTRUCTIONS:

You must prepare a audio recording of an interaction that demonstrates your best listening skills. Then, make a word for word transcript of a section of your recording with five (5) consecutive (one after the other) responses and analyse your responses.

- The recording and transcript comprise 20 marks out of 100.
- You will provide me with a cd, usb or emailed file of your recording (please discuss with me if you need to use any other method)
- You will be responsible for ensuring that the method used to record your listening exercise will be accessible to me
- Leave enough space for comments on your transcript please
- Use the format page provided at the end of this outline, photocopy as many as you need or make an exact computer duplicate (i.e. in landscape mode)
- Use the "Checklist for Making Tapes" provided in class before turning in this assignment.

GUIDELINES FOR MAKING THE RECORDING

- Do not record someone surreptitiously. They must be willing to take part.
- All recordings are confidential and only heard by your instructor or my trained marker.
- Take a run at the conversation (20 min. or so) and then choose the section with your best responses. Start with the speaker's statement followed by your #1 listening response. Include **all** of what is said by both speaker and listener. Analysis must be complete and specific (check sample). Alternate responses **must** be different from one another.
- Be as natural as you can. Do not script the conversation before hand or rehearse. Do not stop or edit the recording.
- Your best listening should primarily be validation, empathy, paraphrases with some questions, summaries and minimal encouragers added in.
- Choose a topic that lends itself to reflective listening as opposed to argument, chitchat or conversation.

- Leave time to accommodate technical and other glitches

EVALUATION OF THE AUDIO AND TRANSCRIPT

Your grade will be comprised of:

a)	Your listening responses	30%
	<ul style="list-style-type: none"> • accuracy in keeping with the flow of feeling and thoughts • empathy • appropriateness • range of responses and skills 	
b)	Your ability to label and analyze effectiveness of listening responses in the transcript and provide two (2) improved alternatives that differ	70%
	TOTAL	20 marks

5. PERSONAL INTEGRATION PAPER

The purpose of the personal integration is to make the course content real to the student. A personal integration is a written report where the student combines concepts from the course with her/his own life. They will be evaluated on: appropriate use/understanding of concepts, incorporation of one's own life, amount and quality of thought/analysis put into the report. (They must have these three elements.) The skill/theory/concept from the course will be the center of your personal integration. You will describe personal events, relationships, issues that relate to the concept (How does this concept apply to my life?) Then a good portion of the paper will involve your analysis/reflection. (What have I learned? What changes would I like to make to myself or my relationships, as a result of this concept? What would be the result of those changes? How do/did I feel? How do/did others feel? How would I add to or change this course concept/skill/theory and why? Etc.) They will be about 1000 words long. Please include a word count at the end. Each student will complete 1 personal integration. Your paper will draw concepts from at least two chapters in the text. If you are in any way unclear of the nature/format these personal integrations should take, please contact the instructor, I will be happy to discuss/explain the project to you or read anything you have written.
