There are four components considered for the final grade:

1. **A portfolio of all assigned projects. 70%**
2. **A sketchbook full of Daily Practice & informal exercises** such as self-directed problems, notes, sketches, graphic concepts etc. that offer a personal involvement with Printmaking. **10%**
3. **The student's participation in the critical appraisals of their work and in the works of peers.** This will be conducted in both written and spoken form as the course progresses. **10%**
4. **Studio Conduct & Etiquette Grade. 10%.** Students will start the semester with 10/10 for their Studio Habits grade; marks will be deducted if students neglect to demonstrate safe respectful use of communal facilities, studio interactions and material provisions. This includes returning all A/V equipment within specified borrowing time.

Students will be evaluated on their ability to clean up after themselves (or their group) each day before leaving the studio. Works left in common spaces 30 minutes prior to the next class start time, or 9a.m. the next day will result in an immediate deduction of 3% per work (i.e. a painting left out to dry overnight not in designated storage spaces in Y117). Work may only be stored in designated storage areas (or with special permission of instructor and instructional technician). *Failure to properly store, remove or dispose of projects during the semester and / or within the deadlines communicated at the end of the semester will result in a deduction of 5% per work.

Interviews

There will be mid-semester interviews or end of term interviews with Visual Arts program students. This will provide the student with an indication of their -achievement as artists during the first half of the course.
