Missed In-Class Essays and Tests:

- Unless you can prove a medical issue with a doctor's note, all in-class assignments/ tests/ essays must be completed in the intended class.
- A missed in-class assignment /test/ essay without a note will be given a grade of zero.
- Failure to notify me of your medical issue within 2 days of the intended class will disqualify you for a make-up assignment and also result in a grade of zero.
- If you already know that you are going to be unable to attend on the date an assignment is scheduled, please come and see me ASAP. If your absence is justifiable, we will determine a re-schedule date as close as possible to the set date.
- Missed work worth less than 3% cannot be made up at another date (For example, in-class Peer Edits and Practice Activities).

Late Essays:

- Essays are due at the start of class unless otherwise specified.
- Up to 5% per day (including weekends days) can be deducted for lateness. Nothing will be accepted 5 days or more past the due date.
- Requests for extensions will be considered, but only if the request is made in advance.
- I do NOT accept electronic submissions of assignments; I must have a printed version.
- Rewrites are NOT allowed.

Attendance, Readings, Homework, and Participation:

To do well in English 151, you must regularly attend the class.

As with any course, it is also vitally important that you have completed all assigned readings and any exercises or activities indicated in those readings before coming to each class (exception: anything indicated as 'group work' which will be done in class). Further, since our class time will be quite interactive, you must come prepared to actively and intelligently participate. Reading assignments are on attached schedule.

If you do find it necessary to miss a class, it is your responsibility to find out what you missed and to receive any extra homework instructions BEFORE the next class and BEFORE contacting me. I'd thus suggest you make a trustworthy friend in the class with whom you can exchange contact information.

About electronics:

- Laptops may only be used to take notes. Any other uses (facebook, reddit etc.) will result in a loss of that privilege.

- ALL cell phones must be turned completely OFF (not to vibrate) and kept out of sight.
