## A. GRADING SYSTEMS <http://camosun.ca/about/policies/index.html>

The following two grading systems are used at Camosun College:

### 1. Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9

DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

## B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://camosun.ca/about/policies/index.html> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description

## 9. CLASSROOM DECORUM

Students and instructors at Camosun College have a right to work in an environment that is free from harassment and intimidation. Disrespectful conduct and improper behaviour will not be tolerated.

Please refrain from using any electronic devices (such as cellphones or texting devices) to send or receive text messages during class. The use of lap-top computers is only permitted to students who have provided documentation of medical circumstances and/or who have supplied a documented request for accommodation through the Disability Resource Centre. **Any use of electronic devices (without a documented medical cause or Letter of Accommodation) during class time will negatively affect a student's Participation Grade. Unpermitted use of electronic devices during an exam or in-class assignment constitutes a breach of the Student Conduct Policy and will result in a grade of 0% on the assignment.**

Similarly, all discussion between individuals in the classroom should be directed towards relevant material. Students should not distract others and interrupt lectures with “table talk” (that is, conversations about personal matters that have no relevance to classroom discussion.) Students who need to sleep or to eat large meals are advised not to use the classroom for such purposes. Professional behaviour is a key expectation in this course: students who continually engage in inappropriate behaviour will be asked to leave the classroom.

## 10. PROFESSIONAL RESPONSIBILITY

Overall, it is expected that students will demonstrate a professional sense of responsibility concerning their work and their personal conduct at the college. Students are generally expected to hold themselves responsible for submitting work according to deadlines and format requirements, and for successfully completing the requirements of this course. To that end, they are also responsible for ensuring that they attend lectures and do **all** the assigned readings.

Students are also responsible for keeping themselves informed about what is happening in class. The instructor is available during scheduled office hours, if you have questions or concerns regarding the course. Any phone messages or e-mail messages left for him during the weekend will not be received until the next business day. E-mail may be used to inform the instructor of an upcoming absence, but the e-mail message itself **DOES NOT** constitute official documentation of the absence.

Students are responsible for the grades they receive during this course. Grades are determined by the work that each student submits, and by each student's performance in the course. It is not considered professional for a student to inform an instructor of the grade that he or she “needs” or “expects” from any course. The instructor is willing to work with individual students to improve their writing skills, if such requests for assistance are made well in advance of an assignment's due date. However, instructors can make no guarantee that students will get the grades that they want. **Therefore, please be advised that grades are NOT negotiable.**

Students are also responsible for taking notes in class. This skill is a necessity in the post-secondary classroom, and business professionals greatly value any employee who is able to listen carefully and to record information accurately. For this reason (and since much classroom discussion is generated spontaneously, rather than from a script), **the instructor refrains from publishing lecture notes or from making them available as photocopies or as e-mailed slides.** Students who are absent from a class should make their own arrangements to receive the missing material from a trusted colleague. **Please avoid asking the instructor for copies of his notes or slides.**

## 11. ASSIGNMENT SUBMISSION POLICY

**Paper copies of assignments must be handed in to the instructor AT THE BEGINNING OF CLASS on due date.** (Please do not ask the instructor to print a copy of your work for you.) Any work that is handed in **AFTER THE START OF CLASS** on the due date will be considered late. Without an acceptable excuse (such as documented medical circumstances), late assignments will receive a **5% deduction per day, including weekends.** This policy is meant to allow for an orderly flow of assignments and to respect those students who submit their work on schedule. Please note that the instructor takes no responsibility for work that is slipped under his office door.

With the exception of the arrangements mentioned above (that is, documented medical circumstances), late work will **NOT** be accepted after marked assignments have been returned to the class. Please note also that quizzes and in-class work may **NOT** be “made up” at a later time, unless a student can submit official documentation of an emergency or serious illness to the Registrar

**Students must also submit ELECTRONIC COPIES of the major assignments AS E-MAIL ATTACHMENTS before class on the due date for each respective assignment.** Paper copies that are submitted without an accompanying electronic copy will **NOT** be marked. Electronic copies that are sent without an accompanying paper copy will **NOT BE ACCEPTED** as submitted assignments, unless the instructor has given permission to the student to do so.

Students may expect a **TWO-THREE WEEK** marking period before marked work is returned. Please **DO NOT** request that work be returned before the instructor has finished marking.

## 12. ASSIGNMENT FORMAT

Take-home assignments must be submitted as word-processed documents in MS Word format.

Assignments must be **type-written** and **double-spaced**, using a **12-point** font. (Times New Roman is recommended for clarity and legibility.) All assignments submitted to the instructor should be bound together with a staple attached to the upper-left corner. Please do not use vinyl folders for your work.

Hand-written work is **ONLY** acceptable for in-class assignments, quizzes, and exams.

Each page of a major written assignment must be formatted according to the following specifications: 12-point font; 1 inch margins at the top, bottom, and right-hand side of the page; 1.5 inch margin on the left. Each page will require a page number in the top right-hand corner. If this format is followed correctly, each page should contain 250-300 words.

Correct spelling, grammar, punctuation, and sentence structure are essential elements of clear communication. Students are encouraged to proof-read their work for errors, and to avoid submitting work that appears shoddy, careless, or unprofessional (such as the result of a “last-minute” effort). Either Canadian/British or American spelling is acceptable, but the chosen form should be used consistently.

Students are advised to retain a copy of their work until after the original assignment has been graded and returned. The instructor will not accept responsibility for work that is lost or goes missing. Students should also retain all assignments until after they receive their final marks.
