2. Discuss the attributes and applications of a variety of digital audio recording software programs and hardware elements for personal, light-commercial, or academic use.
3. Apply basic and essential audio mixing techniques in a variety of music recording settings to recordings for personal, academic, or light-commercial use.

3. Required Materials

- (a) **Textbook:** None. All readings provided on course website (see Section 1f above).
- (b) **Hardware:** As specified on the course website: Laptop or desktop computer (not Chromebook), speakers or headphones, microphone, and audio interface (if necessary).
- (c) **Software:** As specified on the course website: REAPER, Audacity, Blue Cat Audio Plug-ins, and LAME encoder.
- (d) **Other:** Internet access to the course website on D2L. Administrative permissions to install software on the computer being used for the course.
See Section 7, Recommended Materials, below for supplementary course resources.

4. Course Content and Schedule

Dates: 14 Weeks, September 3 - December 9. Plus, December 10-16 for final project submission.

Class Location: Distance Learning, the Camosun College Desire2Learn online platform.

Class Meeting Times: Distance Learning, self-paced weekly or biweekly Modules.

Holidays: "Week" 6, Monday, October 14: Thanksgiving Day.
"Week" 10, Monday, November 11: Remembrance Day.

- (a) The average amount of time spent working on materials for this course is 2 hours per week. The weekly schedule on Page 6, below, outlines the weekly/biweekly modules of content that are to be completed in order. For each week of the term, topics and assessment due dates are provided.
- (b) Section 5, below, outlines the basis of student assessment. The **participation** portion of your grade consists of five (5) assessments in total: two (2) discussions, and three (3) self assessment quizzes. The **quiz** portion of your grade consists of two (2) quizzes. The **project** portion of your grade consists of two (2) projects. Assessments within each category (participation, quizzes, and projects) are weighted equally.
- (c) In order to receive full credit for each of the graded assessments, you must submit them by their respective due dates and times. In the event you do not meet a submission deadline and you have not been given an extension (see Section 4d below), I will accept your late work with penalty. Points will be deducted for **each day** an assignment is late (2 per day, up to a maximum of 30 deducted). Please do your best to submit your work as soon as you have completed it, even if the deadline has passed.

4. Course Content and Schedule (Continued)

(d) Missing class for holidays or illness is not a concern for this online course. You may, however, experience illness that prevents you from meeting a submission deadline. In this case, if you wish to receive an extension, you must promptly forward documentation to the instructor from a doctor (or certified healthcare professional), preferably before the deadline passes. This documentation is required to include a clear statement from your doctor of WHAT you could not do and WHEN you could not do it (e.g., "Student was bedridden from October 5-7," or "Student will not be able to use right hand for two weeks, October 1-15"). It is not necessary to disclose the reason for your illness. Upon approval of your doctor's note, accommodations within reason will be made to help you complete missed work. Note: **It is your responsibility to be aware of assessment deadlines and to pace your weekly progress so that you are able to meet these deadlines.**
