Performance and Masterclass Log for Solo Preparation

Use this form to keep track of all performances and masterclasses you attend as an auditor or performer. You are required to attend all Solo Preparation Sessions on selected Wednesdays, 10:00-11:00, Wood Hall, dates above, and additional masterclasses (incl. online content). This, together with the written assignment, constitutes 15% of your mark for Solo Preparation. If you must miss a class session, you may substitute up to 2 classes with an equal amount of VCM-Camosun or pre-approved masterclass as auditor-only in addition to the 3 required masterclass performances below.

You are required to perform in at least two TLCS or significant pre-approved concerts for a discriminating audience as a solo or solo-feature performer, AND at least three masterclasses at the VCM or other pre-approved venue. This constitutes 25% of your mark for Solo Preparation. Your Jury constitutes 10% of your Solo Preparation mark.

You are required to present an enriched jury program at the end of term. Up to 10 minutes will be added to the time of your MUSC 105 jury (see jury requirements).

IMPORTANT: Submit this log at the end of term to your jury committee. Until then, keep it accurate, keep it up to date, and keep it safe. We recommend taking a phone-photo of it after each entry so that the information is easy to recover if it goes missing. **Make sure bring it with you to your jury!**

Jury Requirements 2019-2020

Students are asked to complete a Term Overview Sheet in full, outlining all technique, studies, and repertoire studied through the term – in this way there is a record of your term's work. Please star materials and repertoire specifically prepared to perform for your jury: the selected jury programme must conform to the requirements given below. Please take care in completing this sheet as it forms a part of the permanent student record and may be used by other schools in the future to help in establishing transferability of credit for work toward completion of this course.

The jury is the opportunity to perform before a panel of senior faculty who will assess the overall level of performance against accepted provincial and national standards assumed for the level of study undertaken (first year, or second year). The panel assesses this snap shot of performance level and may consider progress since last jury (or audition).

Due to time constraints, the jury panel will not hear complete works or all works prepared: only about half of the scheduled time is given over to performance of repertoire, the remainder being dedicated to viva voce (verbal responses indicating a thorough and detailed understanding as to the content, context, circumstance of each selection), additional technical requirements, and marking. Juries are only scheduled for 20 minutes in total, with up to 10 minutes added for those registered in "Solo Preparation" courses. As time is limited and because the schedule is quite tight, students are asked to please arrive early with all music in hand, and be prepared to move quickly into the jury room, being as expeditious with tuning and set-up as is reasonable.

Students must provide one legal (non-photocopied) copy of each work performed. Memory is required for some disciplines – please consult instructor or faculty head for requirement.

Classical performance: works to be performed collaboratively with piano, must be performed with piano. You must make your own arrangements for piano accompaniment for the jury. Juries performed without accompaniment as required will result in a lower mark. You are advised to make arrangements for the services of an accompanying partner as soon as jury schedules are posted.

Contemporary performance: Students must make her/his own arrangements for one or more performance partners to join for the jury. It is the student's responsibility to make all arrangements for and on behalf of accompanying musicians. Juries performed without accompaniment as required will result in a lower mark. Students are advised to make arrangements for the services of an accompanying partner as soon as jury schedules are posted.

NOTE to Diploma of Music students (guitar, piano, voice, most woodwinds, most orchestral strings, and selected brass instruments). In some cases, students may have the opportunity to challenge for AVCM in their second year as a part of their Camosun College course work. Students interested in this possibility – prior to the start of their second term of First Year – must first consult with their own first instrument teacher as to practicality of pursuing this option, and then consult with the Director of Postsecondary Studies about course availability for the following year. If all parties are in agreement, then the complete VCM Grade 10 requirements for your instrument / voice must be presented at your jury in lieu of the requirements posted below, and must be completed with a mark of 80% or better.

Contemporary: Instrument or Voice

A selection of technique and/or technical studies basic to the instrument or voice as worked through the term is expected to be performed at each jury. Demonstration of both solo and accompanying performance will be heard: see note opposite in regards to performance partners.
