The midterm may also include questions **based on class activities and exercises**. The midterm is worth 25% of the final grade.

There are six quizzes in the course. **There are no make-up quizzes. *Students who miss a quiz need to communicate with the instructor before the next class.*** Quizzes are based on specific chapters. The best five of six quiz marks will make up 25% of the final grade. Students are encouraged to take advantage of practice quizzes available online from the text publisher.

Labs: There are four labs in the course. Two group labs and two individual labs. All four labs count toward your final grade. Labs are due at the beginning of the class on assigned due dates. Labs need to be typewritten and should be 500-750 words in length. Some class time will be set aside for students to work on their labs.
