 - a) Write a formal report on a design specification using correct format, structure, and documentation.
 - b) Write at least two ancillary supporting reports for the formal report using correct format, structure, and documentation.
 - c) Write, and constantly update a logbook of personal data, activities, ideas, and results related to the design project.
 - d) Design and produce a professional-quality marketing publication (e.g. brochure, profile document, website) that promotes and highlights the nature of the design project.
2. Write all assignments using correct workplace-writing style, structure, format, design, and ethical concepts.
 - a) Apply the writing processes of idea generation, draft generation, revision strategies, and proofreading strategies to all assignments.
 - b) Apply Standard English and technical-writing conventions to ensure readability of documents.
 - c) Use reliable, accurate, relevant, and substantiated evidence, and document sources using the appropriate documentation style.
 - d) Use effective illustrative techniques to enhance the visual and informational quality of a written assignment.
 - e) Apply ethical principles to the report-writing process (copyright law, source documentation, and sensitive materials).

3. Design and deliver presentations on the Capstone design project that fulfill the principles of effective speaking, anxiety control, and visual enhancement:
 - a) Analyze the informational needs and backgrounds of various audiences to achieve optimal design and delivery of presentations.
 - b) Use technical vocabulary appropriate for the intended audiences.
 - c) Present information effectively and appropriately using effective speaking skills and anxiety-control strategies.
 - d) Use effective illustrative techniques to enhance the visual and informational quality of presentations.
 - e) Optimize visual support in presentations by appropriate selection and use of electronic and software presentation tools.

2. Competency Based Grading System (Non GPA)

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes

Grade	Description
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://camosun.ca/about/policies/index.html> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
