About your grade

- A. If you are not satisfied with a grade I have given, you have the right to ask me to regrade the work. Work that I review may receive the same grade, a lower grade, or a higher grade.
- B. I reserve the right to ask you to resubmit work, or to show me extra material related to it.
- C. I will NOT be offering extra assignments or exams (beyond what is listed on pp. 2-3) to improve your final grade.

Instructor's notes about student responsibilities. I expect students to follow **standards of conduct:**

1. All students are expected to follow the College's Student Conduct Policy
2. There will be no make-up opportunities without a doctor's note (or equivalent). It is up to you to follow up and make arrangements to catch up on missed assignments/exams. Please inform the instructor in a timely manner.
3. Exams must be written as scheduled. Make-up tests will only be allowed with proper documentation. You must contact the instructor prior to the test. **The instructor will determine the alternate examination date and time.**
4. Assignments that are copied (identical or plagiarized) between students will be given 0% for ALL students with identical work.
5. Work must be used for this course only. Assignments submitted **> 2 days** past the deadline will not be accepted unless you have permission from me beforehand. This includes missed in-class evaluative tasks as well.
6. Students may not use recording devices in the classroom without prior permission of the instructor. Recordings made in class are for the student's personal use only and distribution of recorded material is prohibited.

It is college policy that "If an instructor remains convinced that there has been a violation [such as plagiarism or cheating], he or she may assign a grade of F for the work involved, or for the course."
