Organization Research Paper	20%
MP & MLA Identification assignment	5%
MP & MLA Research Paper	25%
TOTAL	100%

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the <u>Grade Review and Appeals</u> policy for more information. http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf

METHODS OF EVALUATING YOUR LEARNING

Exams (50%)

Three exams are scheduled for this course.

October 4th (15%)

November 1st (15%)

Final Exam week (20%)

Each will sample your recollection of the content from the textbook readings as well as the material addressed in class (guest speakers, power point, video presentations, group presentations, etc). Each exam will not be comprehensive and will be based on the material covered between exam periods (ie. The final exam will be based on material covered from November 1st to the course end date). That being said, some of the latter material covered will be based on concepts covered during earlier portions of the course. This is a content heavy course so be sure to actively read your assigned readings. The exam format may include true / false, fill in the blank, short answer and multiple choice.

MP/MLA Assignment (30%)

(5% tied to the MP/MLA Identification earlier in the semester)

Due Date: November 8th (Beginning of class)

Individually, research your local MP and MLA and their positions on justice related issues. Be sure to research their backgrounds and answer the following questions;

- 1. What is their role in Parliament? Do they have a Cabinet posting or are they a backbencher? Are they with the governing party or are they in opposition?
- 2. What do they consider to be the most important **justice** matter faced in their constituency?
- 3. What is their perspective on any of the following issues; Police/RCMP, victims, offenders, the judiciary, Crown Counsel, corrections, or aftercare/social service agencies.

You must choose the MP & MLA from the jurisdiction where you are residing on September 13th, 2021. Please place your address in the introduction of your paper. Exceptions must be cleared with your instructor.

Prepare a 2-page report on each representative (4-5 pages of content not including title page and references page) that **will be submitted on November 8th at the beginning of class as a hard copy printed paper.** Papers will be handed back for resubmission and penalty if work is not properly cited.

Criminal Justice Organization Research Paper (20%)

Due Date: December 2nd at the beginning of class

The purpose of this assignment is to use the appreciative inquiry style of learning to explore and report on what you have learned. The assignment will involve examining the role, responsibilities and key players within your assigned agency. You can examine harm reduction, crime reduction, victimization and overall community safety. This can be done creatively by using a recent crime or political happening relative to your agency.

Prepare a two (3) page report on your agency **to be submitted in the D2L Assignment page**. Proper APA style should be used so ensure you are using your *Criminal Justice Writing Reference Manual* for this assignment. This is **due at the start of class time on December 2**nd.

You will want to address the following questions in your write-up. At a minimum your analysis should be able to answer the following questions about your organization:

- 1. What is the formal name of the organization and, if they are part of government, where do they fit in? (eg. What branch or ministry do they belong to or are answerable to?)
- 2. What are the functions or responsibilities of this organization? How does it relate to other parts of the justice system?
- 3. How large is the organization, is it local, provincial or national?
- 4. What are some (is a) pertinent issue that the organization is dealing with either at present or in their past? Describe how decisions made on this issue could affect other components of the justice system.

1. Class Preparation

You are expected to complete the assigned readings before coming to class. This often becomes increasingly more difficult as the semester moves along and as the completion of assignments and preparation for exams takes a great deal of your time. I would strongly recommend that you use some type of planner where you can keep track of each assignment, readings, exams and other expectations being placed on you.

2. Late Penalty

All assignments must be completed and submitted on the date and at the time assigned. The penalty for late assignments will be 10% per day. An extension can be granted only with at least 72 hours notice and will only be granted for one assignment per student for the semester. Group presentations will receive a zero grade if not completed on the scheduled date. Procrastination can 'get the best of us' so be certain to manage the time you need to complete assignments.

You all have the option and are encouraged to submit your completed work a full week prior to the due date for feedback and suggestions. Please utilize this as this will ensure that you are 'on the right track' with your assignments.
