5. Basis of Student Assessment (Weighting)

Labs (up to 10 virtual experiments)	20%
Test I (Chapters 1-3)	15% (Week III, due Tue, May 18, 11:59 pm)*
Test II (Chapters 4-6)	15% (Week V, due Tue, June 1, 11:59 pm)*
Final Exam (comprehensive)	50% (June 21 is the first day of exams; exam date & time will be posted on myCamosun)

* Test dates to be confirmed during the first week of classes in May.

Note

1. Student must pass the lab portion of the course to obtain credit for Chem 070. Your lab faculty will go over the lab component of Chem 070 and lab evaluation with you...
2. Students are required to check their emails (the email address associated with his/her myCamosun profile must be up to date) and D2L regularly.
3. Each take home test will be loaded on D2L (or emailed to students if necessary) and students will be writing remotely & independently. Student is encouraged to attempt both tests. Test score (including no score) that is not as high as that of the June final exam will be dropped automatically and its weight redistributed to the final exam. However anyone who is caught cheating will receive zero for that test which will not be redistributed. For anyone who misses both tests, your final exam will then be 80% of the course grade!
4. **Student must write each test during the period indicated above. Late submissions will not be graded, no exceptions. No one will be allowed to write late and there will be no makeup test, no exceptions!**

6. Grading System

- Standard Grading System (GPA)
- Competency Based Grading System

A. GRADING SYSTEMS <http://camosun.ca/about/policies/index.html>

The following two grading systems are used at Camosun College:

1. Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9
85-89	A		8
80-84	A-		7
77-79	B+		6
73-76	B		5
70-72	B-		4
65-69	C+		3
60-64	C		2
50-59	D		1
0-49	F	Minimum level has not been achieved.	0

2. Competency Based Grading System (Non GPA)

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes

Grade	Description
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://camosun.ca/about/policies/index.html> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
